
CHAPTER 9: RULE CHANGE PROCEDURES

All AHA programs and events deadlines must be met as specified, whether submitted by postal service, fax, e-mail, internet or other electronic means.

ARTICLE 901. RESOLUTIONS.

1. Resolutions and proposals may be submitted by any Member Organization (voting affiliate members only), any standing or Ad Hoc Committee of AHA, by a Regional Board of Delegates or by the Board of Directors of AHA. (Res. 40-75) Resolutions submitted by these entities must have received a majority number of affirmative votes (either in person, by phone, by facsimile, by mail or by hand delivery), and must be accompanied by an actual tally of the votes received, a statement of which body voted (Member Organization members, Member Organization board of directors, regional board, etc.), how the vote was taken (at a meeting, by phone, by facsimile, by mail or by hand delivery), and where the vote is recorded (Member Organization minutes, Member Organization board minutes, regional board minutes, etc.). Resolutions may also be submitted by the President of AHA.

2. Form and Content of Resolutions:

According to Robert's Rules of Order, Newly Revised, (AHA Article XIII) only the Resolved portions of resolutions are voted upon, and, if passed, included in the AHA Handbook (or submitted to USEF/EC). The Whereas provisions are optional and considered informational only; they are not a portion of the enacted resolution. Therefore, the Resolved must be self-explanatory, self-contained and unambiguous.

- a. Each resolution shall be submitted in writing, in the form in which action is desired.
- b. Each resolution must contain a viable effective date (taking into consideration time requirements dictated by such things as USEF/EC rules, AHA rules, budgeting time frames, legal requirements, etc.).

- g. Each resolution must list the name and phone number of a contact person who, by definition, has the authority to change, withdraw, and/or amend the resolution on behalf of the submitting organization. The contact person should attend convention.
- h. The AHA impact statement for each resolution shall list a contact person. A departmental designation may not be substituted for a person. The contact person and a telephone number, or a designated substitute, shall either be at the convention or available for consultation during the normal operating hours of the convention. (Res. 52-96)

3. Resolutions must be submitted as follows:

- a. To the AHA office to be postmarked/electronic transaction dated (Res. 7-93) not later than 90 days prior to the opening date of the next Annual Convention and that all resolutions be printed and returned to Member Organizations within 45 days.  1. At the request of the Agenda and Resolutions Committee to comply with Article 901. submission requirements;
 2. After the resolutions have been printed for mailing, as an amendment to the resolution pursuant to the Standing Rules of Order and Robert's Rules of Order, Newly Revised.

Any resolution not submitted to the AHA office by the deadline required, must have signatures of 25 Delegates registered to be at that Convention and the name of the Member Organization each is representing, and must be submitted to the AHA office for review by the Agenda and Resolutions Committee postmarked/electronic transaction dated not later than twenty days before the first day of Convention. (Res. 7-97)

1. It shall be the responsibility of the Agenda and Resolutions Committee to determine whether such resolution meets the criteria necessary to recommend it as an extraordinary matter. (Res. 7-97)

a. To qualify for consideration as an Extraordinary Resolution, the proposed Resolution must meet the following criteria:

1. The resolution meets all the criteria for form and content of resolutions (Refer to Article 901.2).
2. The resolution affects the health, safety or well being of the horse and/or rider; and/or
3. The resolution affects the financial well being of AHA; and/or

2. Any such resolution determined by the Agenda and Resolutions Committee to be an extraordinary matter shall be forwarded to the delegates for consideration at that Convention. Any resolution not determined to be extraordinary shall be considered at the Convention the following year. (Res. 72-71) (Res. 9-87) (Res. 7-97)

c. By a Selected Voting Delegate on the floor of the Convention, provided, however, that such resolution shall be an amendment of a resolution which has been placed on the floor of the Convention in the regular course of business.

d. By a Selected Voting Delegate on the floor of the Convention after adoption, by a majority vote of the Convention, or special order of business permitting the same.

4. After resolutions are submitted to the AHA office, the Agenda and Resolutions Committee will review them.

a. The Committee will adjust the effective date, if necessary, to make it viable. (Refer to Article 901.2.b.)

- b. Proponents should consult Robert's Rules of Order, Newly Revised for provisions regarding amending and withdrawing resolutions after resolutions are printed for mailing.
- c. Any Committee, Commission or Board that studies a resolution that has been referred to it by the Convention Delegates and wants to return that resolution the following year or thereafter, in the same, amended or changed form must meet the requirements of the date deadlines and follow the rules for submitting resolutions.
