5. The judges' cards will be posted.
6. In the event of a tie on the total score for Champion, Reserve, or the last place of the placings, the Number One Judge's card will be consulted to break the tie. The horse placing highest on the Number One Judge's card will place above the other horses in the tie. For purposes of breaking

ties, a horse appearing on the Number One Judge's card places above those not on the card.

#### ARTICLE 1127. THREE JUDGE TOTAL POINT SYSTEM.

1. Using this system, all classes will be judged by three judges. These three judges are designated in the prize list as the Number One Judge, the Number Two Judge, and the Number Three Judge.
2. Each judge will judge independently.
3. Each placing will have a point value as established by the Show Committee. Scores earned by each horse from all judges will be added together to give the total score. The horse with the highest total score will be named Champion; the horse with the second highest score will be named Reserve Champion, etc., until all placings have been filled.
4. The Number One Judge will call the gaits in all performance classes.
5. The judges' cards will be posted.
6. In the event of a tie on total score for Champion or Reserve to the last place, the Number One Judge's card will be consulted to break the tie. The horse placing highest on the Number One Judge's card will place above the other horses in the tie. If the tied horses do not appear on the Number One Judge's card, the Number Two Judge's card will be used to break the tie in the manner described above. The Number Two Judge's card will be used to break ties only after all possible ties have been resolved using the Number One Judge's card. For purposes of breaking ties, a horse appearing on a judge's card places above those not on the card.

#### ARTICLE 1128. THREE JUDGE SYSTEM. (Res. 23-06)

1. Using this system, all classes will be judged by three judges. These three judges are designated as the Number One Judge, the Number Two Judge and the Number Three Judge in the Prize List.
2. Each judge will judge independently.
3. Each placing will have a point value according to the Three Judge System. Scores earned by each horse from all three judges will be added together to give the total score for each horse. The Champion and Reserve Champion will be selected as follows:
  - a. Only the first place horse on each of the three judge's cards will be a candidate for Champion. If the same horse appears first on two or more of the judge's cards, that horse will be named Champion. If different horses appear on each of the three judge's cards, the one with the highest total points will be named Champion. A tie on points will be resolved by the placing on the number one judge's card, and then on the number two judge's card, and then on the number three judge's card as circumstances dictate under this system.
  - b. After the Champion has been determined, the remaining first place horses, and the horse or horses placing second below a first place for the Champion on a judge's card used for the Champion placing, are the only candidates for Reserve Champion. If the same horse appears first on a judge's card and second below a first place for the Champion on a

judge's card used for the champion placing (or two or more second placings as herein described), such horse will be named Reserve Champion. If no horse fits within the criteria stated in the preceding sentence on two or more of the judges' cards, the horse with the highest total points after the Champion has been named will be named Reserve Champion. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.

After the Champion and Reserve Champion have been determined, the placing of the remainder of the class will be based on points with the highest point total placing highest in the class until all placings required have been determined. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.

4. The Number One Judge will call the gaits in all performance classes.
5. The judges' cards will be posted.

#### ARTICLE 1129. EUROPEAN JUDGING SYSTEM.

A European Judging System may be utilized at an AHA Recognized Shows (except Regional & Nationals) as long as it includes the following basic elements:

1. Uses one to five judges. The system requires that the judge(s) scores be announced after each horse is evaluated. The placing in each class will be based on the total score for each horse. The score for type will be utilized as the first tie breaker.
2. The Number One Judge's card will break ties not decided by the type score. Subsequent judges' cards (in numerical order) will be utilized to break ties if the tie is not resolved by the Number One Judge's card.
3. This system may or may not be utilized in Championship classes.
4. Shows may utilize a European Judging System to select Top Ten and Champion and Reserve Champion.

#### ARTICLE 1130. MAJORITY OPINION SYSTEM (MOS). (BOD 11/95)

##### Utilized for Arabian Breeds Challenge Cup (UPHA)

1. The Majority Opinion System (MOS) is a method of scoring judges cards for a multi-judge panel where each judge has the power of one full vote to place all competitors in a class. Final placings are scored by at least a two-thirds majority of those votes favorable to each place being awarded. All judges tie the same number of entries per class, that number depending on the number of entries in the class.
2. Using this system, all classes will be judged by three judges. These three judges and their cards are designated as Number One (A), Number Two (B) and Number Three (C).
3. The Number One (Call) Judge is appointed in rotation and the three judges rotate their positions in the ring for each class.
4. Each judge will judge independently with no conferring (except in the presence of the Ringmaster when a workout is to be called) until the cards are handed in.

5. Ties are resolved by the two-thirds majority vote opinion of the three judges.
6. The United Professional Horsemen's Association (UPHA) Arabian Breeds Challenge Cup will resolve a three way identical tie for first place by a mandatory workout of the tied exhibitors. If the tie is not resolved after the workout, the class is determined by the Fall of the Cards.
7. The judges cards will be posted.
8. A computer can be utilized during the show.
